Choose the specification.

A CLEAR BRIEF HELPS US PREPARE YOUR QUOTATION

Separate applications. Clear requirements.

Bath salt / salt soap: confirm composition, intended use and labelling.

Cooking plates: confirm size, thickness, finish and protective packing.

Decorative lamps: confirm shape, electrical components and destination rules.

Animal lick blocks: confirm species, composition, weight and fixing format.

Confirm product suitability

Specialist formats have different intended uses and acceptance criteria.

Request the relevant product specification and applicable documentation.

No therapeutic or nutritional performance is specified in this guide.

Quality documentation

Request current certificates with their applicable scope and validity, plus product or batch test reports. This guide is not a laboratory certificate.

Sample availability and delivery charges are confirmed for your enquiry.
